

## Correction: Suicide mortality among people accessing highly active antiretroviral therapy for HIV/AIDS in British Columbia: a retrospective analysis

An error occurred in an article published Apr. 8, 2015.<sup>1</sup> The rate of death from suicide in 2010 was incorrectly reported as 2.81 deaths per 100 000 person-years. The 2010 rate should have been reported as 28 deaths per 100 000 person-years. The error appeared in the results section of the abstract and the article. It has been corrected at cmajopen.ca.
