

## Correction to “Opioid-related emergency department visits and deaths after a harm-reduction intervention: a retrospective observational cohort time series analysis”

An error occurred in an article published June 20, 2023.<sup>1</sup>

The Methods section incorrectly described use of the *International Statistical Classification of Diseases and Related Health Problems, 10th Revision* code F12; in fact, the code F11 was used.

This error has been corrected at [cmajopen.ca](https://cmajopen.ca).
