

<b>Table 1   GRIPP2 long form</b>		
<b>Section and topic</b>	<b>Item</b>	<b>Reported on page No</b>
<b>Section 1: Abstract of paper</b>		
1a: Aim	Report the aim of the study	p.1 & 2
1b: Methods	Describe the methods used by which patients and the public were involved	p.1 & 2
1c: Results	Report the impacts and outcomes of PPI in the study	p.1 & 2
1d: Conclusions	Summarise the main conclusions of the study	p.1 & 2
1e: Keywords	Include PPI, “patient and public involvement,” or alternative terms as keywords	p.1
<b>Section 2: Background to paper</b>		
2a: Definition	Report the definition of PPI used in the study and how it links to comparable studies	p.3 & 5
2b: Theoretical underpinnings	Report the theoretical rationale and any theoretical influences relating to PPI in the study	p.3-5
2c: Concepts and theory development	Report any conceptual models or influences used in the study	p.3-5
<b>Section 3: Aims of paper</b>		
3: Aim	Report the aim of the study	p.4
<b>Section 4: Methods of paper</b>		
4a: Design	Provide a clear description of methods by which patients and the public were involved	p.4-7; Table 1
4b: People involved	Provide a description of patients, carers, and the public involved with the PPI activity in the study	p.4-7; Tables 1 & 2
4c: Stages of involvement	Report on how PPI is used at different stages of the study	p.4-7; Table 1
4d: Level or nature of involvement	Report the level or nature of PPI used at various stages of the study	p.4-7; Table 1
<b>Section 5: Capture or measurement of PPI impact</b>		
5a: Qualitative evidence of impact	If applicable, report the methods used to qualitatively explore the impact of PPI in the study	p.7
5b: Quantitative evidence of impact	If applicable, report the methods used to quantitatively measure or assess the impact of PPI	p.7
5c: Robustness of measure	If applicable, report the rigour of the method used to capture or measure the impact of PPI	p.7
<b>Section 6: Economic assessment</b>		
6: Economic assessment	If applicable, report the method used for an economic assessment of PPI	N/A
<b>Section 7: Study results</b>		
7a: Outcomes of PPI	Report the results of PPI in the study, including both positive and negative outcomes	p.8-12; Table 3 & 4
7b: Impacts of PPI	Report the positive and negative impacts that PPI has had on the research, the individuals involved (including patients and researchers), and wider impacts	p.8-12; Table 4
7c: Context of PPI	Report the influence of any contextual factors that enabled or hindered the process or impact of PPI	p.8-12; Table 4
7d: Process of PPI	Report the influence of any process factors, that enabled or hindered the impact of PPI	p.8-12; Table 4

7ei: Theory development	Report any conceptual or theoretical development in PPI that have emerged	p.8-12
7eii: Theory development	Report testing of theoretical models, if any	N/A
7f: Measurement	If applicable, report all aspects of instrument development and testing (eg, validity, reliability, feasibility, acceptability, responsiveness, interpretability, appropriateness, precision)	N/A
7g: Economic assessment	Report any information on the costs or benefit of PPI	p.5, 6, & 7
<b>Section 8: Discussion and conclusions</b>		
8a: Outcomes	Comment on how PPI influenced the study overall. Describe positive and negative effects	p. 8-12
8b: Impacts	Comment on the different impacts of PPI identified in this study and how they contribute to new knowledge	p. 8-12
8c: Definition	Comment on the definition of PPI used (reported in the Background section) and whether or not you would suggest any changes	p. 8-12
8d: Theoretical underpinnings	Comment on any way your study adds to the theoretical development of PPI	p.12
8e: Context	Comment on how context factors influenced PPI in the study	p. 8-12; Table 4
8f: Process	Comment on how process factors influenced PPI in the study	p. 8-12; Table 4
8g: Measurement and capture of PPI impact	If applicable, comment on how well PPI impact was evaluated or measured in the study	p.9; Table 4
8h: Economic assessment	If applicable, discuss any aspects of the economic cost or benefit of PPI, particularly any suggestions for future economic modelling.	N/A
8i: Reflections/critical perspective	Comment critically on the study, reflecting on the things that went well and those that did not, so that others can learn from this study	p.11-12; Table 4
